# We Can Make You **Stand Out** In The Crowd

*With the best looking and  
the highest quality products  
in the new built  
compatible industry.*

In addition to the premium quality and competitive pricing,  
we also provide world class professional customer service.

## Realized Cost Savings

Most of our competitors are rushing to bring products to the market, which often result in premature product performance, poor quality and many services calls. Frequent RMAs and service calls are costly to you. We at GPI/ Cartridge Web provide the best total cost in the industry.

## Aftermarket Satisfaction

GPI's "Aftermarket Satisfaction" philosophy emphasizes a consistent quality level that meets OEM's requirements. Our customers' satisfaction is the first priority to us. You may find other suppliers in the aftermarket compatibles industry also provide low cost alternative options from the OEM's, but only a couple of them have the ability to achieve our quality level, service and patent protection.

## Switch & Match

Switch to Cartridge Web products as your ultimate  
alternative to OEM supplies. Our product performance  
meets OEM's quality standards, along with better  
service and awesome prices.
